An Antique & Specialty Gift Shop

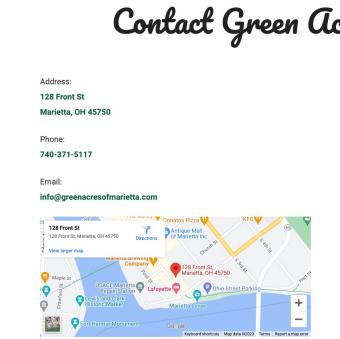

I was born and raised in California. My mother was an antique dealer and her mother dabbled in antiques. I guess that makes me a third generation antique dealer. I went to school for interior design, $yep.....never\ did\ anything\ with\ it.\ I\ thought\ I\ was\ happily\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ for\ 25\ years.\ I\ have\ 6\ fabulous\ kids.\ I\ married\ fabulous\ kids.\ I\ married\ fabulous\ fa$ rented 5 spaces in an Antique shop in California. I was living the dream.....okay; I worked on convincing 2016 my world turned upside down. I got a divorce. I decided that I didn't want to afford \$3,500 a month for an apartment in California. I was planning on moving to Juno Alaska. This is when God completely took over my life (thank You). I visited Marietta Ohio. I walked down Front St. and saw the cutest store in all the land. Dark, empty with a for sale sign in the front window. I walked in, and was greeted by the owner. Loved the store.....but I was moving to Juno, Alaska. Gave him my number and continued exploring this adorable community. I went back to California and put my California home on the market. I couldn't stop thinking about Marietta. The owner of the store called me. I informed him that I couldn't afford anything until my house sold. He responded with "I'll hold it for you"....... This is crazy I thought to $myself. \ Not\ part\ of\ my\ plan......\ I\ have\ since\ learned\ a\ very\ valuable\ lesson,\ I\ actually\ don't\ have\ a\ say\ in$

my plan, or I should say, the plan seems to always work better when I have given it over to God. I felt that

this is where I was supposed to be. So, I loaded up all of my stuff, a cargo train and a half, said good bye So, here I am in Marietta, Ohio, surrounded with a community that has opened their arms and wrapped them around me. They have given me more support and love than I thought could be possible! I am beyond blessed.
